The Learning Co-op (TLC) is a learning group in Lawrence under TEACH. The purpose is to get together with other homeschooling families on a weekly basis to learn through units and hands-on activities.

We meet every Tuesday afternoon during October, November, and January through April from 12:45 PM – 3:00 PM at Community Bible Church. The kids are broken into about 4–5 groups for learning and they will rotate from a unit time (1 hour), a music time (30 minutes), and a rotation class (P.E. or Arts and Crafts for 30 minutes).

TLC is open to students from K– 8th grade with a preschool and nursery provided for younger kids. Mothers are asked to stay on the premises even though they may not have a duty for the month. Most moms find this an enjoyable time getting to fellowship with other moms. Mothers will be required to help and teach in many different areas throughout the year.

Each month there is a fee to reimburse any of the teachers for expenses needed to teach. The fees for this coming year are yet to be determined (last year they ran \$9 for one child K–8 and \$15 for two or more children K–8). From time to time, there may be some extra nominal fees to cover extras (costs for a special program or field trip, to buy recorders used in music, and etc).
